Counsel:

In light of Judge Abelson's Preliminary Injunction Order issued on Friday, February 21, 2025, we are writing to inquire as to whether the Department intends to issue a memo to all federal agencies directing compliance with the Order as it did in response to the temporary restraining order in *New York et al. v. Trump*, No. 25-cv-39-JJM-PAS (D.R.I.). See [Notice of Court Order](#) (directing federal agencies to comply with the court's order).

We are making this inquiry, in part, because we are receiving reports that various federal agencies are continuing to require compliance with the enjoined Certification Requirement.

Please let us know if you plan to send a similar notice of the Court's February 21st Order to all federal agencies, and if so, your timing for issuing that notice. We would appreciate your response by close of business today.

Thank you,

Aleshadye
